June 2023 Program Ashli Montgomery Quilt 2 End ALZ

Our June speaker is Ashli Montgomery of [Quilt 2 End ALZ, Inc.](#), a non-profit organization connecting quilters with the fight to end Alzheimer's. She runs her own [business](#), teaches in person and can also be found on her [YouTube channel](#), just to name a few places!

According to Ashli, the mission at [Quilt 2 End ALZ](#) is to connect quilters with the fight to end Alzheimer's disease. "The more quilters we

reach, the more education, support, and awareness we create. We are quilting to mend the mind, and we'd love for you to join us!" Ashli's talk is a unique combination of lecture and trunk show, lasting 30-45 minutes with time for Q&A, and focus on three key topics:

What is Alzheimer's disease, and what can we do about it?

How is Q2EA using quilting as a platform to encourage, educate, and

support our quilting community as advocates to end ALZ?

Who can get involved, and how do we help?

The trunk show highlights projects that our Q2EA family has created over the years as well as current fundraising projects.

Fund our Future Activities Buy Raffle tickets and win great prizes

Providing outstanding speakers at our membership meetings is one of the most important goals of our group. In an attempt to provide great speakers and still keep dues reasonable we are providing new and improved prizes. Raffle tickets are \$1 or 6 for \$5. We

always have two \$10 gift certificates for A1Singer Sewing Center and several members have been generous in donating books, fabric, aprons, bags and other items. Be sure and support our group by purchasing tickets and get a chance to win these prizes.

Show and Share

This is probably the best part of our meetings outside of the speaker. We always enjoy seeing our members latest projects. We have an archive of past show and share pictures on our website.

Destash Bash

Our membership continues to grow. This is great news and we welcome all our new members. If you are new to our group we have provided members an opportunity to bring items to sell at our meetings. We will continue to do this at meetings when space is available but we are cancelling this for the June 2023 meeting.
