Program:

Dorie Hruska presented our program, "Finding Your Path". She explained how a longarm quilter can quilt one continuous line of stitching from left to right across the quilt. She showed a number of her patterns as well as ones she had learned through the years and how to do them continuously.

President Shirley Prouse adjourned the meeting at 11:58 AM.

Sixteen quilters stayed for lunch that Donna & Earl Barrager had purchased from our treasury and the afternoon workshop by Dorie Hruska. The subject was "Diamond Are A Girls Best Friend". She showed how to use her diamond shaped grid line templates to set guidelines in areas on a quilt and how to fill them in with different attractive patterns. The workshop ended at about 3:40 PM. Several members stayed to help straighten up the room before they left.
